## **Dear Parents,**

Welcome to Fishers Christian Preschool at Whitney Church of Christ! We are blessed to have you and your child join our kindergarten program. We look forward to teaching and encouraging your child throughout this year.

This handbook is designed to help you understand our program and the guidelines under which we operate. We would like to welcome you to visit, ask questions, and make suggestions pertaining to your child's experience here at Fishers. Cooperation and communication between parents and staff will contribute to a successful year for your child. Our teachers and staff look forward to getting to know you and your child!

Throughout this year, we aim to teach your child of God's love and Word, while preparing him/her for their academic future. We consider it a privilege to work with your family and we want you to feel confident in your selection of Fishers Christian Preschool. Thank you for allowing us this opportunity!

We welcome you to walk alongside us not only in this program, but also in our church family!

With much appreciation,

Jessika Wohleb

Preschool Director

## WHO WE ARE

### Our mission

Then He said to them, “Follow Me, and I will make you fishers of men.” Matthew 4:19

Our mission is to serve the Lord by being His faithful followers. We provide a safe, encouraging environment for the children of our community to learn and grow, both in their spiritual life and academic endeavors.

### Our goals

- To grow the love of God and of others in the hearts and minds of our students by immersing them daily in positive examples, continuous praise to God, and intriguing Bible lessons.
- To prepare our students academically for the beginning of their educational career by learning through play and providing them with appropriate and challenging opportunities for discovery.
- To teach our students life and social skills that will help them be successful in all aspects of their lives by providing them with opportunities to develop independence, and practice positively interacting with others.
- To grow our church family by inviting families into our building and sharing the love of God with them and their children.

### Method

We will use the BJU Press Curriculum and a university model to help us accomplish our goals by exposing the students to a Biblical worldview, while allowing them opportunities for academic discoveries and exploration. We believe that students will meet the expectations that we have for them. This being the case, we will show our students the highest levels of love and respect and allow them to be challenged in social, academic, and spiritual aspects.

**We want to completely immerse our students daily in God's love and Word, as well as prepare them to excel in their future academic careers.**

## **UNIVERSITY MODEL GUIDELINES**

We will be utilizing a university model in this program. Students will meet for class on Tuesdays and Thursdays. On Monday, Wednesdays, and Fridays, parents will homeschool their child using the plans and guidelines provided by the teacher. We hope to instill a love for learning, a drive to discover new information, and a Biblical worldview that will prepare students for success in public, private, or homeschool settings in the future.

### **Communication**

It is crucial to keep the line of communication open between teacher and parents. Parents will be informed of the lessons being taught, assignments and projects due, as well as updates on how their child is doing in the classroom. We will require assignments done at home to be completed and turned in at a time designated by the teacher. Students will need parental support as they complete assignments and learn at home. The teacher will be available to answer questions in regards to any lessons that are being taught, or assignments.

## **DAILY ACTIVITIES**

### **Meal Time**

Parents will need to provide lunch and water for their child each day. We appreciate your consideration in sending items that do not require a lot of special preparation and are easy for children to eat independently. This aids in allowing children to begin and finish their lunches at the same time. A simple and health-conscious snack will be provided by the school each day.

### **What To Bring**

We ask that every child bring a backpack, a spare change of clothes, a leak-proof water bottle, and their lunch. Every item that is sent should be labeled with your child's name. Children are asked not to bring toys from home, unless specifically requested by their teacher for use as part of the curriculum.

### **How To Dress Your Child**

Children are engaged in various activities during the day, some of which can be messy. Also, they spend time on the playground each day, weather permitting. Please dress your child in seasonably appropriate, and comfortable clothing. Children must come to school fully dressed with well-fitting footwear. This allows for safe play both indoors and outdoors. Modesty is

important to us at all ages. If your child wears a dress or skirt, bloomers or shorts should be worn to cover undergarments.

## **PROCEDURES**

### **Arrival and Dismissal**

Arrival time will be 8:30 a.m.- 9:00 a.m. Please have your child to school before 9:00 a.m. in order to maintain a consistent schedule and keep disruptions to a minimum. Parents will be allowed to drop children off in the foyer of the building, sign their child in using the Brightwheel app, and leave any notes that the teachers will need for the day. A staff member will then escort your child to their classroom.

Dismissal time will be 2:00 p.m.- 2:30 p.m. Please have your child picked up before 2:30 p.m., as the teachers have school aged children that they must pick up as well. To pick up your child, please come in the front entrance, and sign your child out using the Brightwheel app. A photo ID will be required for anyone other than the designated pick-up person to pick up a child.

Our doors will be locked between the times of 9:00 a.m. and 2 p.m. for the safety of our students and staff.

To pick up a child outside of designated pick up times, call or text the Fishers Christian Preschool phone number or send a message via Brightwheel. A teacher or teacher's assistant will bring your child to you at the front entrance. You will need to sign your child out at this time. As any other time, a photo ID will be required for anyone other than the designated pick-up person to pick up a child.

### **Discipline Plan**

The Bible teaches that discipline is a demonstration of love (Proverbs 3:12, Hebrews 12:6, Revelation 3:19, Proverbs 13:24). We want to help guide the children in our program to develop a positive sense of self, as well as independent, responsible, and caring character traits. Our two primary objectives for establishing discipline are: the safety of oneself and others, and respecting our physical environment.

Our teachers and staff will provide guidance by:

- Modeling Christian values
- Providing positive directions, suggestions, and encouragement
- Giving clear, short instructions

- Ensuring that children know the consequences for inappropriate behavior
- Providing routine and consistency
- Using positive redirection for common behavior issues including, but not limited to not sharing, or not following directions
- Using time out immediately following physical aggression or harm (one minute per child's year of age, ex. 5 minutes of time out for a five year old child)
- Any issue that cannot be resolved in the classroom using timeout or redirection, will be handled outside of the classroom by the Director and, as necessary, with help from parents.

Fishers Christian Preschool staff will refrain from discussing behavior issues in the presence of other children and parents. If necessary, a meeting will be scheduled to discuss such behaviors.

## **CALENDAR**

### **Yearly Calendar**

Other than start and end dates, our program follows the Whitney ISD District Calendar. If WISD is closed due to inclement weather, or in observance of a holiday, Fishers will also be closed.

The year-at-a-glance calendar will be distributed at the beginning of the school year. Detailed calendars will be sent out monthly that will include what we are learning, as well as important dates and upcoming events.

## **ENROLLMENT**

### **Enrollment**

Enrollment for each school year is contingent upon receipt of the completed enrollment packet and the non refundable \$50 registration fee. Parents should notify the Preschool Director should any of the information collected at the time of enrollment, or any time thereafter, change. We enroll children based on classroom availability by age. We do not accept drop-ins.

### **Tuition**

Tuition will be \$300 a month (September-May), and will be due on the first day of each month. Payments should be turned in to the Preschool Director and are payable online or by cash or check. Checks should be made out to Whitney Church of Christ Preschool. A \$10 late fee will be

charged for payments made after the 10th of the month. No credits or refunds will be given for any reason including, but not limited to, absences, holidays, closings due to facility issues, acts of nature, ect.

Tuition is spread evenly over the year. As a result, you pay the same amount each month for nine months, regardless of days off during the month.

A \$50 supply fee will be charged in September and January and will be due at the time that tuition is paid.

## **HEALTH/WELLNESS**

### **Immunization Records**

Each child is required to have a current immunization record on file with the Preschool. Please update this copy each time your child receives an immunization.
